

FRANKLIN
CLEANING TECHNOLOGY

SCALEAWAY

Bathroom Cleaner / Descaler

A ready-to-use, acidic, non-abrasive liquid that safely dissolves away hardened film, scale and rust caused by lime, magnesium, iron and other minerals in the water supply. ScaleAway's clinging properties allow longer contact time on walls and other vertical surfaces for more effective cleaning.

READY-TO-USE

No diluting required. Can be used directly from the bottle for fast and effective cleaning.

CLINGING

Thickened formula clings to vertical surfaces for longer, more effective cleaning.

PLEASANT FRAGRANCE

No harsh odors. Floral scent leaves surfaces and fixtures smelling fresh and clean.

EFFECTIVE

Cleans as well as muriatic acid, but without the harsh fumes and skin corrosivity.

DIRECTIONS FOR USE

SOAP SCUM REMOVAL

Wear rubber gloves when handling Scaleaway.

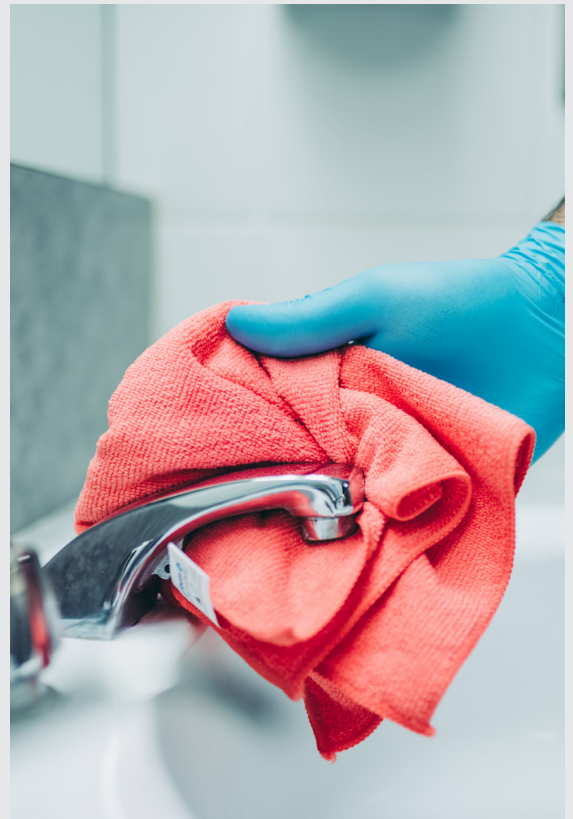

1. **APPLY** to surface to be cleaned using sprayer, cloth or mop.
2. **WAIT** 3-5 minutes.
3. **AGITATE** and rinse with cold clean water.

PRODUCT SPECIFICATIONS

pH (concentrate) 2.2 ± 0.6
 Color Blue Liquid
 Fragrance Floral
 Freezing Point 32°F
 Solubility in Water Complete
 Flash Point None to Boiling

PRODUCT AVAILABILITY

F229012 12/32 oz.
