GLASS CLEANER

Ready-To-Use

Glass Cleaner is a low-foaming, highly active spray product that penetrates and dissolves smears, smoke film, insects, soil, finger marks and food stains from mirrors, windows, windshields chrome and other reflective surfaces. Leaves surfaces clean and glistening. Contains a special blend of ingredients for excellent soil suspension and removal. Works especially well with a squeegee.

READY TO USE

No mixing or diluting required. Just spray on and wipe off.

EASY TO USE

No mixing required. Simply pour into a spray bottle and go.

VERSATILE

Low foaming formula that leaves multiple surfaces clean and residue free without rinsing.

SAFE

Contains water soluble solvents without abrasives to harm surfaces. Phosphate free.

DIRECTIONS FOR USE

CLEANING

Always remove sand and grit with a water rinse when cleaning acrylic and Plexiglas. Never spray into electrical circuits.

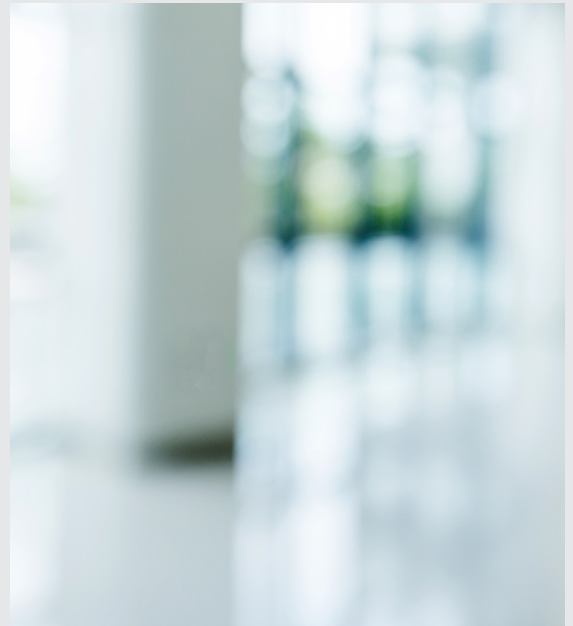

1. **SPRAY** a fine mist onto the entire surface to be cleaned.
2. **WIPE** and **POLISH** the surface until dry with a clean lint free cloth or paper towel.

PRODUCT SPECIFICATIONS

pH (concentrate) 6.5 - 8.5
Color Clear Blue Liquid
Fragrance Camphor
Freezing Point About 32°F
Solubility in Water Complete
Flash Point None
