

DEEP LUSTER™

Stainless Steel Cleaner

DEEP LUSTER™ Stainless Steel Cleaner is a blend of water, oils and cleaning agents that is formulated to remove stains, smudges, fingerprints and other soils from steel, chrome and aluminum. It cleans down to the bare metal and leaves a protective coating that resists soils and leaves a shine. For use in schools, offices, department stores, hospitals, vehicles, restaurants, cafeterias, elevators, water fountains, nursing homes or any metal surface.

LABOR SAVING

Spray and wipe. The metal immediately takes on a shine that is protected against resoiling.

EFFICIENT CLEANING

Removes tough dirt and stains. Leaves a soil resistant barrier.

USER FRIENDLY

Ready-to-use aerosol package simplifies application. Nothing to dilute.

DIRECTIONS FOR USE

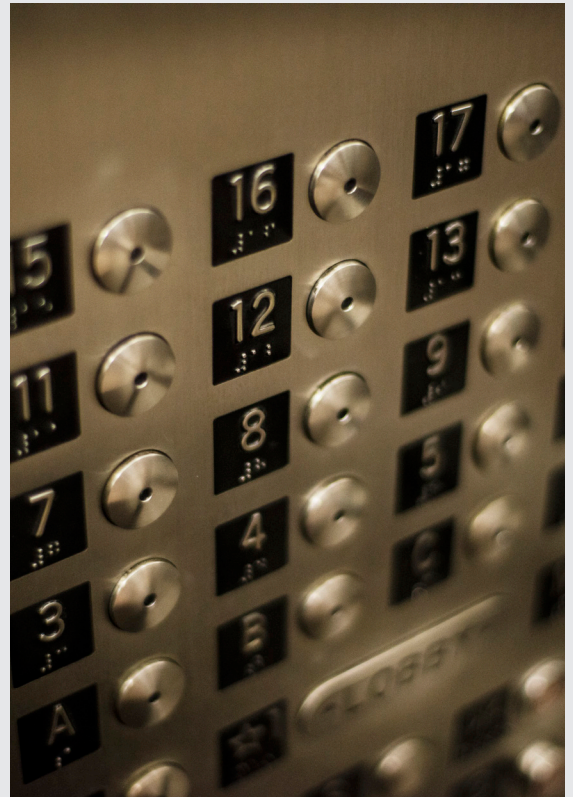

1. **SHAKE** can well.
2. **SPRAY** surface while holding can upright 4" to 8" from the surface. To treat small areas or avoid falling mist, **SPRAY** directly on soft cloth.
3. **WIPE** dry with a clean soft cloth.

PRODUCT SPECIFICATIONS

pH (concentrate) 10-11
 Color White Emulsion
 Fragrance Petroleum
 Physical State Liquid Under Pressure
 Freezing Point About 32°F
 Solubility in Water Dispersible
 Warehouse Storage (NFPA) Level 1 Aerosol
 Flash Point 200°F

PRODUCT AVAILABILITY

F423015 12/18 oz.
